THE MARINER

The Class of 1959, New Bedford Vocational High School

Foreword

This is our story. Four years of growing pains. Just turn the page — a familiar face; a phrase almost forgotten. For some of us, here are a few memories, a little reminder of happy eventful days gone by. To the Staff and to our Advisors, our deepest gratitude.

Key Club

The Key Club of this school has been steadily improving over the last five years since it was first organized. The Key Club is a service organization within the high school which is part of an international organization and run on the same principles as its sponsoring Kiwanis Club. Last year the club put in a fine showing at the New England District Key Club Convention in Boston by winning two first place trophies and several second and third place ribbons. Also at this convention, for the first time, we had one of our members elected to the New England District Board of Key Club International. (John Seaberg)

We would like to congratulate President Charles Bickerstaff and the other senior members on the fine job they have done in the past year. We are also thankful for the fine assistance given to the club by its faculty advisor, Mr. J. Barbero, and W. Wallace Pittendreigh, advisor from the New Bedford Kiwanis Club. Good Luck to the Key Club and its members as they continue to serve their school, community, and country.

Class History

Graduation time is here for the class of '59. It hardly seems possible that four years have elapsed since we entered in September 1955 as eager Freshman looking forward to new experiences; perhaps a little shy making new friends.

We were given a warm welcome at our first assembly by Mr. Mackintosh and Mrs. Howland. The faculty members greeted us kindly and made us feel at home.

Then the Juniors sponsored a dance in our honor enabling us to become better acquainted with the rest of the student body. Lilian Hall was crowned Freshman Queen.

This first year went by quickly and soon a well-earned summer vacation awaited us.

Returning to school in 1956 we entered our Sophomore year with great school spirit and happy hearts.

Everyone was excited over the good work and honest play performed by our basketball team in the Tech Tournament at Boston Gardens, and equally proud of Paul Gomes for winning the title of The Most Valuable Player of The Year.

The year 1957-58, our Junior year, was marked by an addition of new social activities and responsibilities. Mr. Driesen and Mrs. Roderick were our class advisors. Class officers consisted of Paul Gomes, president; Eunice Hamer, vice-president; Mary Freitas, secretary; and John Tarvis, treasurer.

In November we sponsored a dance for the Freshmen and Dorothy Kingsley was chosen Freshman Queen.

"Twilight Time" is a theme we will never forget, for everyone had a marvelous time at our Junior Prom held in April. Eunice Hamer was named Queen with Ann Reed and Claire Bellefeuille as her ladies in waiting.

Before we knew it June was here and with it came our Junior Class Outing at Camp Cachalot.

In September 1958 we returned to school proud to be Seniors at last. Our class advisors were Mr. Correia and Mrs. Oldfield. Class officers consisted of Roy Barth, president; Diana Hand, vice-president; Louise Leonard, secretary; and Walter Connor, treasurer.

First on the agenda of social events was our Senior Harvest Dance held in October.

Senior girls were busy in the Household Arts Department during December preparing for their annual Christmas Tea with the aid of Mrs. Oldfield.

It was with sad hearts that we saw our friend and director, Mr. Mackintosh, retire. However, we were happy to welcome someone very familiar to us in his place, Mr. Walter Janiak, previous head of the Academic Department.

February was the month of our Sweethearts Ball. Claire Bellefeuille reigned as Senior Queen and Art Souza as King.

As our basketball season came to a close we earned our bid to Tech Tournament Play, and although we were eliminated, we were all very proud of our boys on the team for the fair play performed.

It is with high aspirations that we leave four happy years behind us, carrying with us many pleasant memories, confident that the knowledge, understanding, and advice, received from our instructors will lead each of us on our separate roads to happy and successful lives.

Slide Rule Club

For the first time in the history of New Bedford Vocational High School, we have a Slide Rule Club. This club meets weekly under the guidance of Mr. Joseph Barbero, advisor.

At each meeting the members are taught various methods of computing mathematical problems with the slide rule, thereby, teaching our future engineers how to become proficient in its use.

The club members are: Charles Bickerstaff, William DeMello, Robert Euzebio, Richard Goulart, Norman Langelier, Maurice Richard, John Seaburg, Peder Stensjo, Robert Stowell, and Paul Tetreault.

Class Will

We, the members of the Senior Class of 1959 of New Bedford Vocational High School, City of New Bedford, Bristol County, Commonwealth of Massachusetts; being of sound mind and memory, do hereby solemnly make our last will and testament.

To Mr. Janiak, we leave our sincere thanks for his wise counsel and unfailing assistance during our four years at Vocational.

To the faculty, we leave our deep apprecition of their efforts to give us a clear outlook on life.

To the Juniors, we leave the hope that they enjoy their senior year as much as we did.

To the Sophomores, we leave the anticipation of becoming upperclassmen.

To the Freshmen, we leave the prospect of four happy years at Vocational.

Shop League

The Shop League was very successful in its first year of operation.

Fourteen teams participated in the action and all shops were well represented.

The Machine Shop Hawks defeated the Automobile Browns in a playoff game for the Championship. A trophy donated in honor of Charles Foley, former Department Head at the school was presented to the winners who were coached by Mr. Banas and Mr. Prastek.

The winning team mentors were also presented individual trophies in honor of their accomplishment.

A good time was had by all who participated in the program and we are looking forward to next year.

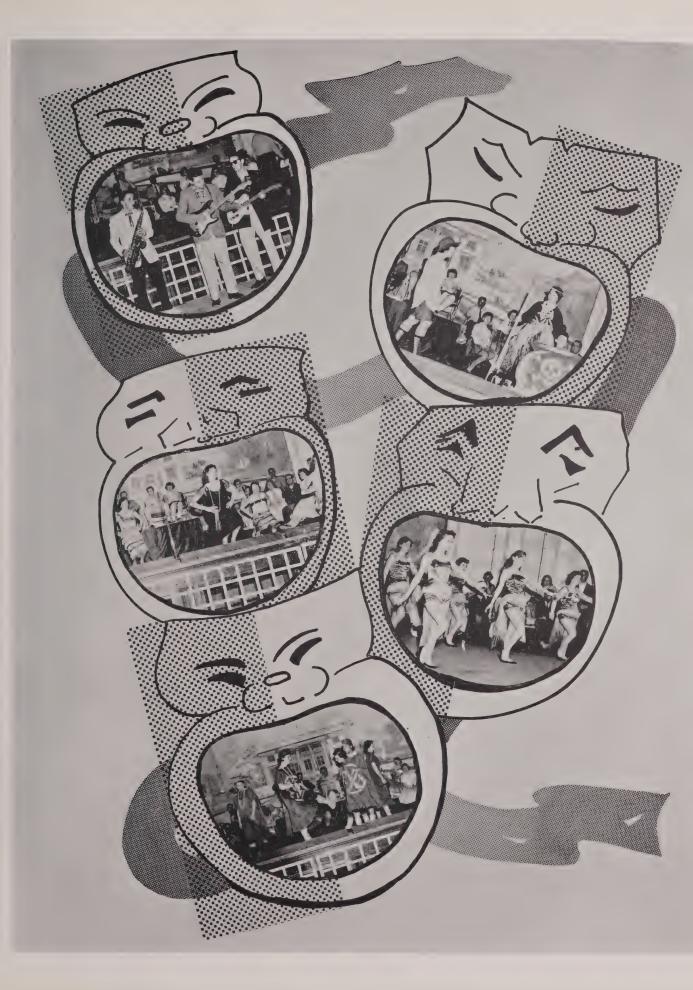

The Future Nurses Club

The Future Nurses Club was organized this year under the capable supervision of Mrs. Mary E. Wobecky, R.N. and Mrs. Doris Wilson, guidance director. Mrs. Irwin Jaslow has also served as advisor to our club as a representative of St. Lukes Auxiliary.

The officers chosen to lead the club were Louise Leonard, President; Jane-Ann Tripp, Vice-President; Shirley Fields, Secretary; and Joan Lafferty, Treasurer.

The Future Nurses Club is made up of Junior and Senior girls who would like to enter the nursing profession. The club was organized to help the girls learn of the qualifications, advantages, and opportunities of nursing as a career, and the different schools which offer nursing courses.

This year our club took part in a joint meeting with New Bedford High and Fairhaven High School to hear a talk by a student nurse of the Newton-Wellesley Hospital. The club also had movies and speakers on nursing at other club meetings.
